- Closing lock to close the handle for easy and safe storage
- 1.8 m power cord
- Fast heat up time, ready to use in 60 seconds
- Universal voltage
- Swivel cord to prevent tangled wires
- 2 years of worldwide guarantee

Highlights

Long plates

The longer plates enable a better contact with the hair and help you achieve perfect straightening results in less time.

210°C professional temperature

This high temperature enables you to change the shape of your hair and gives you that perfect look you want.

Two temperature settings

Two heat settings (180°C & 210°C) to suit your hair type.

Ceramic Tourmaline coating

Ceramic Tourmaline plates emit negative ions which creates shiny, static and frizz-free hair.

Instant heat up

The straightener has a fast heat up time, being ready to use in 60 seconds

1.8 m cord

1.8 m power cord

Handle closing lock

The straightener has a closing lock mechanism. Located at the base of the straightener, this locks plates, making storage quick and easy and helping to protect the straightener from accidental damage.

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

Universal voltage

Worldwide voltage for getting the perfect travel companion

2 years guarantee

2 years of worldwide guarantee.
