Ease your baby's transition to a drinking cup

The Natural trainer kit eases your baby into their first cup. The comfort grips help your baby hold the bottle independently while drinking from the familiar nipple. When ready, switch to the silicone spout to complete the transition.

Easy to combine breast and bottle feeding

- Start with the familiar Natural Response bottle nipple
- Transition to the soft silicone spout when the baby is ready

Ideal first step to a drinking cup

- Soft touch handles easy for little hands to hold

Other benefits

- No-drip nipple and leak-proof spout design to prevent spills
- Natural Response Nipples and Bottles are BPA* free
- Dishwasher safe
- Compatible across the Philips Avent range
- Choose the right nipple flow for your baby
