Superb SkinComfort rings

Wireless Qi charging pad

Plugging in cords in wet areas is a thing of the past. Simply lay your cordless electric shaver on the Qi charging pad for a wireless charge.

BeardAdapt Sensor

This electric shaver comes complete with a BeardAdapt Sensor that reads the density of your beard. It then auto-adjusts the power for the job at hand. Easy.

Excellent skin comfort system

Get a highly efficient shave, even on longer beards. This Philips shaver has wider, rounder openings that catch more hair per pass, and prevent you from having to repeatedly shave the same area.

Personal comfort settings

Multi-direction ContourDetect

Your close shaver's multi-directional heads conform to the contours of your face, catching even difficult hairs and resulting in a smoother shave.

SmartClick precision trimmer

Skin-friendly and easy to use, give your mustache and sideburns extra definition with the SmartClick precision trimmer.
