- Dust-proof
- Leak-proof

Highlights

Adventure filter

Powered by innovative electro-adsorptive filter media, the Adventure filter removes up to 99.999%* of waterborne pathogens from the water, so that you have access to safe drinking water anywhere, anytime**. It also reduces particulates, chemicals and heavy metals. Simply fill the bottle, squeeze and drink!

Dust-proof

The bottle comes with a dust-proof cap, so that the mouthpiece stays clean.

Leak-proof

The leak-proof design ensures that the water doesn't spill inside your bag.

Dishwasher safe

All parts are dishwasher-safe (max. 50 degrees Celsius) except for the filter.

Filter replacement reminder

Timer reminds you when to replace the filter for the best result.
