AVENT

Manual Breast Pump

Easy express

SCF430/01

Comfortable pumping, wherever you go

Natural Motion Technology, for quick milk flow

Enjoy the gentle comfort of the Philips Avent portable manual breast pump. With Natural Motion Technology, inspired by baby's own suckling action for a quick letdown. You can easily adjust rhythm and vacuum. Fits practically all nipples.

Easy to clean

- Easy to clean and set up

Comfortable expression

- Easily triggers milk release before or between feeding
- Express without leaning forward
- Choose your rhythm, follow your milk flow

Portable and convenient

- Ideal for moms who pump on-the-go

Simple, gentle and effective

- One-size soft adapting silicone cushion
- Helps you release milk fast

Highlights

Fast milk release

A unique, portable manual breast pump – ideal for mothers who need to gently release their milk while away from home, or before breastfeeding.

Easy to clean and set up

Because there are only a few parts, our new pump is easy to set up and clean.
