## Gentle yet effective brushing

Ultra-soft brush head for sensitive teeth and gums

The S2 Sensitive brush head is tailor-made for sensitive teeth and gums. The ultra-thin bristles provide an effective clean with a gentle brushing experience. 70% of the plastic used in this brush head is bio-based\*

### Easy to use

- Always know when to replace your brush head
- Ready to connect with your Sonicare handle

### High performance

- 70% bio-based plastic\*
- Proven effectiveness with extra softness

### Designed for sensitive teeth and gums

- Removes 10x more plaque in hard-to-reach areas\*\*
- Gentler on teeth and gums
- Up to 5x healthier gums in 6 weeks\*\*\*

# Highlights

## Ultra-thin bristles

With the thinnest bristles of any Sonicare brush head (0.1 mm), the S2 Sensitive delivers a gentle yet effective brushing experience.

## Uniquely soft design

With more than 3.000 ultra-thin bristles the brush head is uniquely designed to provide an extra soft, yet effective clean that removes 10x more plaque in hard-to-reach areas.\*\*

## Extra care for your gums

As you brush your teeth, the extra soft bristles will also gently brush your gum line, for improved gum health in just six weeks.

## Uses bio-based plastic

We are working towards reducing the use of fossil-fuel based plastic in our products. That's why 70% of the plastic used in this brush head is bio-based.\*

## Trusted Sonicare brushing

Always achieve the highest cleaning performance with Philips Sonicare's advanced sonic technology. Through its extra-soft bristles,

the S2 Sensitive brush head is clinically proven to remove plaque effectively, while being gentle on your gums.

## Replacement reminder

Brush heads become less effective after three months of use. With BrushSync you'll be reminded precisely when to replace your brush head, tailored to your brushing behaviour.

## Click-on design

This click-on brush head fits perfectly with your Philips Sonicare handle (check the list below). Its click-on design makes cleaning and replacing the head incredibly simple.
